

# Sample Fulfillment Application: GSHN Membership Booklet

The image shows a sample fulfillment application for the Global Safe Haven Network (GSHN) Membership Booklet. The application is a vertical booklet with a purple and white color scheme. It features the GSHN logo, a photograph of four people walking, and a personalized message. A member ID card is also included, showing the member's name and unique ID number. Red arrows point to specific elements: the recipient address, the personalized message, and the member ID card.

**Personalized message**

Dear Gloria Walker,  
Welcome to S.T.E.P. – a safe emergency travel plan. We want to help you be safe on your travels whether you are travelling internationally or domestically. Before travelling, you and family should walkthrough the process of creating a Safe Travel Emergency Plan (STEP). The 6-STEP Process will ensure that you and your family are properly prepared for the trip and ready to respond in the event of a problem. The 6-STEP Process is based on decades of experience in travel safety and security and focuses on problem prevention through proper preparedness. Below is your membership card. Please keep it with your travel documents.
